Mar. 2026

2026 Colorado Heart Failure Summit | December 10th-12th | The Broadmoor

Satellite Event Prospectus

*The Colorado Heart Failure Summit welcomes industry partners to highlight therapeutic innovations, clinical insights, and emerging data through non-CME **Satellite Events**. This product theatre platform provides a strategic opportunity to elevate your organization's visibility and engage directly with a concentrated audience of more than 250 healthcare professionals—including physicians, nurse practitioners, physician assistants, registered nurses, pharmacists, and other clinicians dedicated to the management of heart failure and cardiovascular disease.*

Why Host a Satellite Event?

Satellite Events/Product Theatres offer partner firms the opportunity to:

- Present late-breaking data, pipeline updates, or disease-state education
- Connect with decision makers and prescribers in a focused setting
- Enhance brand visibility at a premier regional cardiovascular meeting
- Highlight therapeutic innovation or device advancements
- Facilitate interactive Q&A with a scientifically engaged audience
- Inclusion as a non-CME activity within our agenda

All events are positioned within open time slots that do not compete with official CME sessions.

Satellite Event Permit Fee

Any company wishing to hold events outside of our official activities may do so Thursday afternoon/evening, Friday lunch or evening, or Saturday breakfast/afternoon, contracted with and paid to Colorado ACC. One event per time slot is available to encourage attendance. No attendees shall be submitted for sunshine reporting since this event is directly through Colorado ACC. ***The Broadmoor will not schedule any events that are not run through Colorado ACC/Heart Failure Summit.***

Base pricing: $7,950 each- includes all logistics for a non-meal (No drinks or appetizers, yes to A/V.) Meal functions up to 40 attendees, include AV and meal: Lunch, $10,250. Dinner $14,500. *Slots are assigned on a first-come, first-paid basis.*

Register Here

Please Note the Following: *Satellite Events are available exclusively to current Heart Failure Summit sponsors and exhibitors. To host a Satellite Event, organizations must also be registered as an exhibitor or sponsor of the 2026 Colorado Heart Failure Summit. Need to register for the conference? Click HERE*
